

30 August 2018

Mr. Benjamin Murray
Returning Officer
Australian Electoral Commission

Dear Sir,

Re: E2018/98 Post Election Report

In the abovementioned report it was identified that the rules for the election of Branch Secretary/Treasurer and Branch Assistant Secretary/Treasurer do not specify a method of advertising the election.

The Branch Solicitors has been requested to draft a rule alteration consistent with the manner of election for other positions in the Branch so that nominations shall be called by an advertisement in the public notice columns of the "Herald Sun" newspaper to appear twice at least three days apart.

The Branch President and the Branch Secretary/Treasurer agree that consistent with Rule 4.6(d) we will refer the proposed rule alteration to Branch Conference for its decision by post.

Yours faithfully,

Michael Donovan
State Secretary
